Authorization for this examiner's amendment was given in a telephone interview with Michael Bradford on 4/27/07.

The application has been amended as follows: Claims 9-11 have been rejoined.

In Claim 9, "step a) is accomplished by rolling up one or more sheets of woven fibers into an elongate cylinder" has been deleted and replaced with --the sheet of fibers is a woven sheet--.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
